

Tena koutou te whanau

From the Acting Principal

Last Friday we celebrated the learning that has been going on in Room 1 as they took responsibility for organising and presenting at assembly. Many children had big grins alongside painted noses, with furry ears flopping and bushy tails wagging on the stage. After the assembly all of the students enjoyed a morning of animal related activities rotating in groups amongst classes. To finish with, the Christchurch City Council officer and her dog did a presentation on the management of dogs in public places. The students in Room 1 were proud of their efforts and some students could articulate what they preferred doing and appreciated what they had learnt. Anayka especially liked dressing up as lion with a face painted nose. Zoe remembered how you musn't touch the tail of a dog if it's tail is wagging as it

hangs out of the car window. Jessika, Zachariah and Noah enjoyed performing on the stage to sing the animal song. Micah, Sean and Jazzlyn loved the face painting and puppet making.

In the senior classes I asked students what they appreciated about Friday. Grace was impressed that the students in Room 1 spoke loudly on the stage while dressed in cute costumes. Grace, Millie, Olivia and Pearl enjoyed being the face painters for the junior school. Many students were impressed with the very obedient Christchurch City Council dog and the lesson given. Joel was pleased that there was an opportunity to use his knowledge of animals and his imagination to explore origami to make animals.

Celebration assemblies and Fantastic Fridays are so much fun. This week we look forward to Room 2's Celebration Assembly. See you there.

Please bring all famine money back to the office as soon as possible.

Thank you to all who returned the 'Updating School Records' form sent home with each child last week. We are now well on the way to completing our up dated contact data base. This will enable us to send out mass text messages and emails from our 'student management system' when required.

Car pool required:

A family living near the Grahams Road/Greers Road intersection, are interested in a car pooling arrangement for their child. Please contact the school office to indicate your interest in participating.

Sports draws for Friday 24th June 1:30

Sport	Team	Vs	Venue

For details see Mrs Steer in the library.

Or visit www.burnsideelim.wordpress.com

This is a fund raiser for a children's feeding programme in the Philippines.

ATTENTION

ATTENTION

ATTENTION

A reminder about collection of children from school. For safety reasons the following rules have been made and need to be upheld.

- Students only get dropped off in the public car park and not the staff car park area.
- Students wait for a parent to collect their children from the gate. (If older students are seen leaving without a parent, younger students may follow suit.)
- All students need to go to the gate after school. (No students are to play on the playground or gather in classes as we need to know where students are at all times.)

Awards presented in assembly Friday 17th June

Room 1	Timothy, for Maths.
	Luka, for reading.
