'Supporting parents as they lead their children spiritual growth and educational excellence by teaching and living Biblical truths.'

Tuesday 30th March 2010

Tena koutou te whanau.

Donald Grey Barnhouse Th.D, preacher, theologian, radio pioneer, and writer, pastored the Tenth Presbyterian Church in Philadelphia, Pennsylvania from 1927 until his death in 1960. He had this to say. "God gives man brains to smelt iron and make a hammer, hammerhead and nails. God grows a tree and gives man the strength to cut it down and the brains to fashion a hammer handle from the wood. And when man has the hammer and the nails, God will put out His hand and let man drive nails through it and place Him on a cross in the supreme demonstration that men are without excuse."

In spite of the majesty of our Creator upon which we have reflected this term, people still turn against Him. When He came to earth to walk among us, we killed Him.

Monster Garage Sale: Where do we begin to say, "Thank you," to **everyone** who helped to make our garage sale a success yet once again. It was a wonderful day. We are unable to give you an exact total just yet but it is looking like it will exceed \$3,000. Praise God! The funds will go towards putting the surface on our new Senior Adventure Playground which should be ready for action after the holidays.

Gingerbread Houses: We have a couple of gingerbread houses left over from the Garage Sale and we are auctioning them off to the highest bidder. The reserve price is \$15. Be in quick! You have until 3:00pm tomorrow, Wednesday, to get your bid in.

Wacky Wednesday: TOMORROW, Wednesday, March 31 we will have Wacky Wednesday to take the place of Fantastic Friday.. Children do not have to wear school uniform but must bring a gold coin for the privilege of being in mufti. The money will go towards sponsoring our **World Vision** child. The Covenant Players will spend the day with us presenting the Creation story and Easter, God's redemption plan for Creation. They will be also conducting workshops for the older students. The children from Kindercare will be our guests for part of the day.

On Thursday, there is another end of term treat. We are selling to the children, an ice-cream and a bottle of water for \$1. The money will be collected by the classroom teachers in the morning and a note made of who has ordered.
