

Tena koutou te whanau From the Acting Principal

This term I have been reflecting on the celebrations of student learning in Friday Special Assemblies. Our students are not just reporting on their learning but they have an opportunity to be bold in front of a live audience. Boldness is a characteristic we want to see developed in all of our students. Every time you support your child by being part of an audience you are investing in their opportunities to be bold publicly. Peter is an excellent example of being bold for Christ's sake. In assembly we have been learning how Peter, who at one stage denied knowing Jesus three times, became

bold and preached the Word and healed the sick in Jesus name. He did this even when he knew he could be arrested at any time. Ultimately we want our students to be bold in their relationship with Christ and the calling God has over their life.

We have had a very busy and eventful term and we are looking forward to a holiday to rest and recharge our batteries for term 3. We are grateful for the way Emmanuel Christian School has been protected from the damage that some other schools have had to face this year. We also look forward to the arrival of Mr Iain Murray as principal next term.

Dental Care over the School Holidays

The Community Dental Service will operate an emergency service over the school holidays. This service is to provide relief of pain only and will not undertake 'routine' treatment. The service will be available each working day from 8:30am until 12:30pm from the Hillmorton Community Clinic, Sylvan Street, Christchurch for the following times:

Monday, 18th July – 29th July 2011 (excluding weekends).

This service will operate by appointment only and if we are unable to see your child, alternative options will be given. If your child has dental pain as a result of an accident please contact your dentist in the first instance.

You can phone and make an appointment for the emergency clinic by ringing 0800 84 69 83 or 335 4222. Alternatively, your school dental clinic phone will have a message on how to access emergency care.

Dear parents,

The school is in desperate need of parents who can help with our fund raising initiatives. In light of the parent coffee morning last Friday, we would appreciate it if you could fill out this form and return it to the office by Wednesday, 13 July.

Thank you to all those who have helped with our previous undertakings, especially the catering jobs we do for different occasions. Unfortunately we lost many of our helpers as their children moved on to middle school. There are some wonderful opportunities to show your support for our school, even if it is only doing something as simple as washing dishes. Every bit counts.

The first opportunity will be the annual school dinner, next term. Also think about ways you can contribute to the school fair we are planning for next year. You can write any other ideas down as well.

Yours sincerely,

Emmy Roentgen
