

EMMANUEL CHRISTIAN SCHOOL

PRODUCTION - NOTICE

Dear Parents this is further update from previous newsletters about the Emmanuel School production, timetable and general information.

ALL children are involved in the production (with the exception of about 2/3 new students) in either the massed choir (All children) Special Choir or Main parts.

THURSDAY 17TH - CHOIR AND MAIN PARTS ONLY – TECH REHEARSAL

Students will depart by bus to Middleton Grange School for a tech rehearsal. This rehearsal will only involve those students in main roles and the special choir. We will leave Middleton (again by bus) at 2:30pm to return to Emmanuel so we will probably not be back at Emmanuel until approximately 3:00pm (or just after)

FRIDAY 18TH - SCHOOL PRODUCTION

The whole school will be travelling by bus after morning tea and students will have their lunch at Middleton Grange School. This will allow all students to be a part of a final pre-production dress rehearsal before the main event at 2:00pm.

COLLECTION AND DROPPING OFF CHILDREN

Parents will need to pick up their children or make arrangement for their child to be collected from inside the Performing Arts Centre at Middleton Grange at the conclusion of the first session; we expect the first session to be finished by approximately **3pm**.

Riccarton Mall is 5 minute's drive from Middleton and some parents have indicated they will be taking their children to the Mall for a snack in between performances rather than travelling home.

The second show is at 6:00pm, and we would like all students back at Middleton **no later than 5:00pm** to get ready. The one exception is for a small number of the Room 1 students. We realise this is a long day for these younger ones and if parents feel that their child(ren) are too tired for a second showing they do not have to return.

Parents may collect their children after the performance at approximately 7:00pm.

Location of the Performing Arts Centre and Parking (See map over leaf)

- The location is Middle Grange School in Riccarton.
- To access the site use Arthur Street where street parking is available.
- See the map for the location of Middleton Grange School and Performing Arts Centre
