- This sheet is designed to help parents and guardians understand what to do if you are concerned about some aspect of the school or if you have a complaint
- The school encourages open communication and prefers that you come to talk through a problem rather than discuss it in the community
- It is our job to be fair and to listen to your concerns but this involves your support as well
- We hope that these guidelines are helpful so you can feel confident to approach us

- The first person you should see regarding your concern is the person closest to the problem
- If you have concerns regarding a pupil you must approach the school NOT the pupil
